## Nominating Committee Update

The 2019 Nominating Committee is pleased to announce that the selection of all leadership positions was finalized, the selections for the three Board positions were decided unanimously. The organization has sent out communications to the successful candidates and any alternates. The NomCom plans to make a public announcement of the successful candidates in May 2019.

### Elizabeth Leyva-Pacheco

Elizabeth graduated from Texas Tech University in 2014 with a Bachelor of Business Administration in Energy Commerce and a minor in Economics. She also pursued a Master's in Business Administration degree from the University of Texas of the Permian Basin while working at Pioneer Natural Resources. She has been working for Pioneer for 4 years in the Joint Interest Department. She has been a member of PASPB for the past 4 years and has served in the PASPB Scholarship Committee and as Education Chair from 2017 to 2018 and Co-chair from 2016-2017. She is currently the Joint interest Chair.

### Stephen Chieffo

Stephen graduated from New Mexico State University in December of 2014 with his Bachelor's in Accountancy. Stephen immediately moved to Midland following graduation to accept a Tax Associate position with Johnson, Miller & Co. CPA's. Since then, he has obtained a Master's Degree in Professional Accountancy from the University of Texas Permian Basin and has been working in public accounting ever since. Stephen enjoys participating in networking events around town and giving back to the community through volunteer work.

### Natalie Watt

Natalie graduated with a Master of Science in Accounting in May 2008. Natalie worked as an Accountant in Revenue and Texas Severance Tax for 5 years at Pioneer Natural Resources. She currently works as a Revenue Accountant for Legacy Reserves Operating where she has worked for the past 5 years. She has been a member of PASPB for 10 years. Natalie is currently serving on the PASPB board as a replacement board member.

## ACCREDITED PETROLEUM ACCOUNTANT

The Accredited Petroleum Accountant® certification program is responsible for accrediting accountants within the oil and gas industry, as overseen by the COPAS Board of Examiners. Effective January 1, 2016, the APA® certification program will include one examination to test the basic elements of knowledge essential for an oil and gas accountant in the following areas:

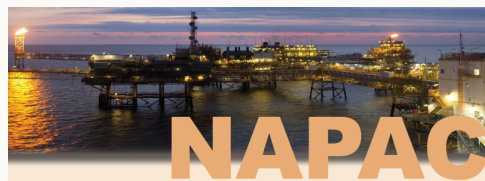

- Fundamentals of Oil and Gas Accounting
- General Accounting
- Upstream
- Midstream
- Downstream

The APA® certified professional is equipped with knowledge and understanding of the industry and petroleum accounting sufficient to excel in job performance and provide a heightened level of accuracy and ethics in performance of tasks. The APA® designation should be a required element for employee selection, promotion, and retention in the petroleum industry. Start today and get your career on track!

Council of Petroleum Accountants Societies

**North American Petroleum Accounting Conference**

May 16-17, 2019 • Dallas, Texas • Westin Galleria

NAPAC brings petroleum industry professionals together for two days of intense and important educational sessions enhanced by lively, productive discussions. Each year, NAPAC features topical general sessions and detailed, track-based concurrent technical sessions, as well as annual reviews of important legislative updates. The conference provides access to outstanding industry experienced speakers from both the government and private sectors and informative exhibits from leading industry vendors. This perennial favorite, considered by many to be the premier oil and gas industry accounting conference, has been running for more than 40 years and remains a very highly regarded and well-attended event.
