PETROLEUM ACCOUNTANTS SOCIETY OF THE PERMIAN BASIN

APRIL LUNCHEON CANCELLED DUE TO COVID-19

Please check your e-mail
about a web-based course
option for CPE credit

We hope you are staying safe and well during the COVID-19 outbreak. Unfortunately, due to CDC guidelines regarding social distancing, we have cancelled the April luncheon. However, please be sure to let Angie Ramirez (Angie.Ramirez@pxd.com) know if you would like to participate in a web-based CPE course offered through COPAS. We need at least 30 members to attend in order to offer the web-based course. PASPB will be covering the cost since we were not able to hold an April meeting. The PASPB board will determine whether to hold the scheduled May meeting and Mini Education Day based on updated CDC guidelines received later in April. We will also be nominating and electing new PASPB board members in May. We are looking into a web-based way to accept floor nominations and vote in the event that we are not able to host a May luncheon. Please see candidate bios under Society News.
