## ACCREDITED PETROLEUM ACCOUNTANT

The Accredited Petroleum Accountant® certification program is responsible for accrediting accountants within the oil and gas industry, as overseen by the COPAS Board of Examiners. Effective January 1, 2016, the APA® certification program will include one examination to test the basic elements of knowledge essential for an oil and gas accountant in the following areas:

- Fundamentals of Oil and Gas Accounting
- General Accounting
- Upstream
- Midstream
- Downstream

The APA® certified professional is equipped with knowledge and understanding of the industry and petroleum accounting sufficient to excel in job performance and provide a heightened level of accuracy and ethics in performance of tasks. The APA® designation should be a required element for employee selection, promotion, and retention in the petroleum industry. Start today and get your career on track!
