PASPB HOSTS NAT'L MEETING FALL 2020

PASPB will host the national meeting in the Fall of 2020. We are currently seeking out volunteers to help with the many aspects of a COPAS meeting.

If you are not sure if you can help but would like more info please sign up below. If you aren't sure if you can make the 2020 meeting that's ok.... we will need just as much help here doing planning.

We are encouraging everyone who has not attended a COPAS meeting to please make plans to attend the Spring 2019 meeting in Memphis, TN on April 22-26.

The following roles are available for committees: [LEARN MORE](#)

SOCIETY NEWS

Joint Interest Committee Update:

The team has worked very diligently in order to get to the point where this MFI can be shared. Please respect their efforts by reviewing the draft and providing value added comments which will facilitate the drafting team's efforts to develop the best document possible.

As a means to ensure everyone has access to the document and the presentation that was provided at the Summer meeting, please also advise your society committee membership of the following locations on the COPAS website (www.copas.org)

The Presentations and distributed drafts of the RTC MFI will reside (under Members Area after member login) as follows:

API Severance Tax Forum & Invitation

The API Severance Tax Forum is designed for experienced Severance Tax Professionals and those new to Severance Tax. The goal of the forum is to present basic as well as advanced information on various Severance Tax issues. Severance tax issues related to the larger severance tax producing states will be covered. In addition, an in-depth discussion will be held related to current legislative, audit and compliance issues. We will also provide a basic review of post production costs and severance tax incentives for those that are less experienced. Attendees are encouraged to send in additional topics or questions for discussion prior to the forum.

ACCREDITED PETROLEUM ACCOUNTANT

The Accredited Petroleum Accountant® certification program is responsible for accrediting accountants within the oil and gas industry, as overseen by the COPAS Board of Examiners. Effective January 1, 2016, the APA® certification program will include one examination to test the basic elements of knowledge essential for an oil and gas accountant in the following areas:

- Fundamentals of Oil and Gas Accounting
- General Accounting
- Upstream
- Midstream
- Downstream

The APA® certified professional is equipped with knowledge and understanding of the industry and petroleum accounting sufficient to excel in job performance and provide a heightened level of accuracy and ethics in performance of tasks. The APA® designation should be a required element for employee selection, promotion, and retention in the petroleum industry. Start today and get your career on track!
