API Severance Tax Forum & Invitation

The API Severance Tax Forum is designed for experienced Severance Tax Professionals and those new to Severance Tax. The goal of the forum is to present basic as well as advanced information on various Severance Tax issues. Severance Tax issues related to the larger severance tax producing states will be covered. In addition, an in-depth discussion will be held relate to current legislative, audit and compliance issues. We will also provide a basic review of post production costs and severance tax incentives for those that are less experienced. Attendees are encouraged to send in additional topics or questions for discussion prior to the forum.

ACCREDITED PETROLEUM ACCOUNTANT

The Accredited Petroleum Accountant® certification program is responsible for accrediting accountants within the oil and gas industry, as overseen by the COPAS Board of Examiners. Effective January 1, 2016, the APA® certification program will include one examination to test the basic elements of knowledge essential for an oil and gas accountant in the following areas:

- Fundamentals of Oil and Gas Accounting
- General Accounting
- Upstream
- Midstream
- Downstream

The APA® certified professional is equipped with knowledge and understanding of the industry and petroleum accounting sufficient to excel in job performance and provide a heightened level of accuracy and ethics in performance of tasks. The APA® designation should be a required element for employee selection, promotion, and retention in the petroleum industry. Start today and get your career on track!
