## STREAMLINED SIGN-IN PROCESS

We would like to thank everyone who has utilized the QR code to sign in for our meetings. If you use the QR code, there is no need to sign in on paper. We implemented this process to simplify our record-keeping for accurate attendance tracking. It also reduces long lines and allows us to get seated and served sooner. Additionally, the QR code lets you indicate if you require CPE credits.

## TIME IS RUNNING OUT TO ADD YOUR NAME TO THE MAY BALLOT!

We will vote for incoming board members at our next luncheon on May 28th. We have three 3-year-term positions and one 1-year backfill position. Not ready to commit to three years? We will also have chair positions to fill! Please email [Savannah Ballard](#) or [Evan Green](#) if you want to add your name to the ballot next month or if you want more information on board and chair positions. In addition to being a rewarding experience, this is a great way to get to know your peers!
